

Below is a sample budget. GSC funding is allocated on a quarterly basis. So, while the annual budget you submit with your recognition forms is an estimate of your total annual costs, it doesn't officially request any funding from the GSC. To do that, your organization must fill out quarterly Priority Funding Requests. The instructions, forms, and deadlines are on our website. Please pay attention to the deadlines!

2011-2012 GSO Budget

Created by:

Date:
