Careful with that AFM head!

Hmm, interesting... So it seems that neurons do grow here.
Wow, cool! Neurons are growing! So, how many volts did you say you applied there?

Can you see the fluidcell? (10 extra points) Ross presenting at the MRS Fall Meeting (December 2012).
Group lunch after the APS March Meeting 2012.  
Group lunch Summer 2017

Yes, we know we also need to put some pictures of us outside the lab playing soccer, hiking etc. Coming soon!
