

# Big Data Oct 2020

## XSEDE HPC Monthly Workshop - Tue Oct 6 - Wed Oct 7 2020 - Big Data

In conjunction with the Pittsburgh Supercomputer Center (PSC), up next at Tufts is **Big Data using Python and Spark**. Seats will go fast, so sign up early and join the Research Technology (RT) staff for two excellent days of free training. These workshops are sponsored by the National Science Foundation (NSF) funded eXtreme Science and Engineering Discovery Environment (XSEDE).

**Sign-up** at: [CHECK BACK LATER](#)

**Date:** 2-Days, TUE & WED, 10/06/2020 to 10/07/2020 from 11AM - 5PM

**Location:** Collaborative Learning and Innovation Complex (CLIC), Room TBD

**Address:** 574 Boston Ave Medford, MA 02155

**Audience:** All faculty, student and staff

We encourage everyone to register for the workshop on the XSEDE website. But we understand the official registration closes early, so WALK-INS are also welcome!
