[Graduate Student Organizations > About GSOs](#)

Forming a Graduate Student Organization (GSO) is easy and has many benefits. We've created two sheets: one that describes the benefits for creating a GSO for your department, the other for a GSO that spans departments. Both talk about the steps involved in creating one. We've also made the process simpler by making a sample GSO budget and a sample GSO constitution. It's easier than ever to start a group and create academic and social events for your fellow students, make new friends and colleagues, and apply for GSC funding. Take a look!

Here's a [presentation](#) describing the entire GSO process!
