[Graduate Student Council > About Us](#)

The Graduate Student Council (GSC) was established to provide a forum for graduate students across all the disciplines in Arts, Sciences and Engineering. Each year the GSC works on a diverse array of student life and learning issues including healthcare, housing, and travel and research funding. The GSC also hosts a Graduate Student Research Symposium which features presentations delivered by graduate students from a variety of departments in ASE as well as the Fletcher School. The GSC takes seriously its role as a member of the broader community. Part of that commitment includes an annual 5K Run/Walk which has raised over \$40,000 for a variety of charitable causes.

The GSC is here to serve all graduate students in Arts, Sciences and Engineering. Take a few minutes to explore our website. We have tried to make it as comprehensive as possible but we are always adding new features and links, so be sure to check back often. If you have any questions or concerns about any aspect of your graduate life at Tufts, or if you would like to become involved in the GSC, please do not hesitate to contact us. See [GSC Info](#) for individual contact information.
